

# Durex® Dur-A-Quartz Trowel Aggregate

## Multi-Coloured Decorative Broadcast Silica Sand Blend for Dur-A-Quartz Decorative Resinous Flooring Systems

|                    |   |
|--------------------|---|
| <b>Description</b> | Durex® Dur-A-Quartz Trowel Aggregate is a high purity multi-coloured silica sand blend with sub-angular granules in a special blend designed for use in decorative trowel applied flooring systems and for optimal anti-slip in a resinous flooring resin matrix.                       |
| <b>Uses</b>        | Durex® Dur-A-Quartz Trowel Aggregate is a coloured silica sand blend used in part with decorative trowel resinous flooring systems (Dur-A-Quartz Trowel) to yield a multi-coloured decorative floor with increased strength, especially where sloping and added thickness is required.  |
| <b>Ideal For</b>   | <ul style="list-style-type: none"><li>• Institutional Flooring Applications</li><li>• Health Care Flooring Applications</li><li>• Medium to heavy-duty processing areas</li><li>• High traffic lanes and aisles</li><li>• Wash-down stations, showers and locker rooms</li></ul>        |
| <b>Features</b>    | <ul style="list-style-type: none"><li>• Extremely durable, highly abrasion resistant</li><li>• Easy to apply</li><li>• Multi-coloured blend</li><li>• Available in Single or Blended Colours</li><li>• Custom Colours Available</li><li>• High UV Resistant version available</li></ul> |

### TECHNICAL DATA

#### PHYSICAL PROPERTIES

|                         |                              |
|-------------------------|------------------------------|
| <b>Colours</b>          | Multi-Coloured Blends        |
| <b>Sieve Size</b>       | 20-30 Mesh                   |
| <b>Hardness</b>         | 6.5-7 (Moh's Hardness Scale) |
| <b>Specific Gravity</b> | 2.65 (ASTM C128-01e1)        |

|                            |   |
|----------------------------|---|
| <b>Packaging</b>           | Durex® Dur-A-Quartz Trowel Aggregate is packaged in 22.7kg (50 lbs) bags. Available in standard colour blends and solid colours. This product is available in custom colours at an additional cost.   |
| <b>Storage Conditions</b>  | For improved performance, Durex® Dur-A-Quartz Trowel Aggregate should be sealed and kept in a dry, vented, waterproof location, stacked off the ground, out of direct sunlight and other detrimental conditions. Store materials in ambient temperatures above 5 degrees C and below 35 degrees C. Precondition temperature prior to use.                       |
| <b>Health &amp; Safety</b> | Use under well ventilated conditions with appropriate NIOSH approved respirator and full protective dust protective clothing when handling the product. Keep product out of reach of children. Read published Material Safety Data Sheet for additional information.  |
