DUREX® DUR-A-STATIC ESD SYSTEMS are only to be installed by approved Dur-A-Static ESD applicators. Custom colours are available, but in a limited colour range. Please contact your Durabond representative for further information. Printed samples represent actual finish colours. Colour appearance may vary from printed sample. Always request a finished sample before confirming colour selection. Refer to the current technical and product data sheets prior to use. Available at [durabond.com](http://durabond.com).
